

Oldenburger Interior GmbH & Co. KG manufactures furnishings for exclusive living spaces in yacht, store and aircraft construction in its three divisions. From the construction of elaborate designs, through manufacturing, to worldwide "turnkey" installation on site, we as a company offer all the building blocks for an efficient project process and a fascinating result.

To strengthen our sales department, we are looking for the following as soon as possible

## Estimator (m/f/d)

### Your area of responsibility:

- Independent calculation of demanding, turnkey mega yacht projects (motor and sailing yachts from 60 m)
- Preparation of quotations, order and supplementary calculations
- Preparation of bills of quantities and mass calculations
- Preparation of offers in German and English in the ERP system
- Oral and written communication with clients, suppliers, end customers and designers
- Supervision of the calculations and offer elaborations
- Determination of savings potentials
- Quantity determinations
- Occasional travel
- Continuous maintenance of costing data in cooperation with the sales team
- Participation in contract negotiations
- Subsequent contract management

### Your profile:

- Education as Dipl.-Ing. or Bachelor (m/f/d) in the field of wood technology or interior design, master carpenter or wood technician or comparable qualification
- 5 - 10 years of professional experience in costing, preferably in the area of customer and supplier support
- Up-to-date CAD knowledge and very good handling of MS Office tools
- Good knowledge of English, both written and spoken
- Confident organizational skills, goal-oriented and structured way of working
- Distinct quality and cost awareness
- Ability to work in a team and strong communication skills

### Your perspective:

- Best development and creative opportunities in a steadily growing company
- Diversified activity in the international yacht sector as well as a motivated team within the company
- Flexible working hours and breaks
- Performance-related remuneration
- Company health insurance
- and much more

Are you practical, goal-oriented and do you enjoy working in a team? Then we look forward to receiving your detailed application.
