

Oldenburger Interior GmbH & Co. KG manufactures furnishings for exclusive living spaces in yacht, store and aircraft construction in its three divisions. From the construction of elaborate designs, through manufacturing, to worldwide "turnkey" installation on site, we as a company offer all the building blocks for an efficient project process and a fascinating result.

To strengthen our team, we are looking for the following as soon as possible

Varnisher (m/f/d)

Your area of responsibility:

- Preparation of surfaces for high-quality finishes (grinding, filling, priming, bleaching and retouching)
- Painting of furniture and interior fittings made from various materials (wood, metal, plastic, solid surfaces etc.)
- Application of various painting techniques in the field of furniture and interior construction
- Development and optimization of painting processes and workflows
- Opportunity to contribute to the creation of special finishes (e. g. metallic effects, concrete looks, effect coatings)
- Close collaboration with production and planning teams to implement customized client requests

Your profile:

- Completed vocational training as an automotive painter (m/f/d) or cabinetmaker (m/f/d), ideally with relevant experience in furniture finishing or a comparable qualification
- Several years of professional experience in painting, preferably in the furniture or interior construction sector
- High standards of quality with a careful and structured approach to work
- Extensive knowledge of materials and experience with various paints and spraying techniques
- Creativity and an interest in innovative surface solutions are an advantage
- Team spirit, initiative and enthusiasm for exciting projects

Your perspective:

- Exciting tasks in an exclusive environment
- Business bike leasing
- Promoting further education/training
- Company health insurance
- and much more

Are you practical, goal-oriented and do you enjoy working in a team? Then we look forward to receiving your detailed application.
