

Oldenburger Interior GmbH & Co. KG manufactures furnishings for exclusive living spaces in yacht, store and aircraft construction in its three divisions. From the construction of elaborate designs, through manufacturing, to worldwide "turnkey" installation on site, we as a company offer all the building blocks for an efficient project process and a fascinating result.

To strengthen our team, we are looking for the following as soon as possible

Carpenter for the veneer room (m/f/d)

Your area of responsibility:

- Independent processing of veneer work and assemblies using state-of-the-art technology
- Operation and maintenance of our machines in the veneer room
- Quality assurance and precise execution of customer orders
- Training and support for junior colleagues

Your profile:

- Completed vocational training as a carpenter (m/f/d)
- Several years of professional experience, ideally in veneer processing
- Experience and safe handling of woodworking machines
- High level of personal responsibility and reliability
- Enthusiasm for sharing knowledge
- AutoCAD experience preferred
- Sense of responsibility, thoroughness
- Commitment, flexibility, team spirit

Your perspective:

- Exciting tasks in an exclusive environment
- Flexible working hours
- Business bike leasing
- Promoting further education/training
- Company health insurance
- and much more

Are you practical, goal-oriented and do you enjoy working in a team? Then we look forward to receiving your detailed application.
